Pistol Permit

The Pistol Permit office is instrumental in the record keeping of all Pistol Permit activity and files for the County. All pistol permit related transactions go through this office, with an original application being housed in the County Clerk's Office. New York State also receives a copy of the application, as well as one being kept in the Pistol Permit Office. Pistol Permits for Chautauqua County residents are under terms and regulations of NYS laws.

Once an applicant completes an application, pistol safety course & background investigation, final approval /denial of a permit is the decision of Supreme Court Judge Cass or County Court Judge Foley.

★ "Due to overwhelming number of questions regarding the new gun laws, we are asking for any questions be submitted to pistolpermit@sheriff.us and we will respond via email.

 - Download the permit application and print it out
 - Pick one up at the Pistol Permit office
 - Request a packet be mailed by sending a self-addressed, STAMPED business-sized envelope (large enough to fit 8 1/2" x 11" paper unfolded)

The applicant will pay the final licensing fee - \$30 County License fee payable to Chautauqua County Finance Director (cash, check or money order accepted)
- Once the application is received, the background process begins. This involves an inquiry by local law enforcement, NYS & the FBI. At the conclusion of the investigation, the application is forwarded to the Licensing Judges for consideration
- Once a permit is approved by a Licensing Judge, the Pistol Permit Office will mail the completed permit to the new permit holder. The permit holder may purchase a handgun and/or co-register one with another permit holder after this is received
